TED JIBOYE MUSIC

Thank You

From the Album: Faithful by Ted Jiboye

When I think of all that you have done for me

I will lift my hands and say thank you

Lord your goodness and mercy have brought me through

And by your grace I am here still in your will

I will lift my hands and I will sing your praise

Knowing that you have always covered me

You have shown me what it really means to love

With all my heart, I thank you Lord for all you've done

E se (Thank you)

Baba e se (father thank you)
